To avoid the cost of designating deposition extracts and objecting to same, counsel shall discuss witnesses who have to be presented by deposition. All other parties will have seven calendar days to serve a response with any objections and requesting line and page numbers to be offered. Counsel must consult on any objections, and only those which cannot be resolved shall be presented to

the court.¹ The party who filed the initial video deposition designation is responsible for preparation of the final edited video in accordance with all parties' designations, and the court's rulings on objections. (Designations are not to be made for witnesses who will appear live, nor for impeachment on cross-examination.)

CONTESTED MOTION PRACTICE

Counsel and parties shall comply with Local Rules CV-7, 10, 11, and 56, in addition to the Federal Rules of Civil Procedure. Local Rule CV-7 requires you to attach affidavits and other supporting documents to the motion or response when allegations of fact are relied upon and do not appear in the record. Highlight the portions of the affidavits or other supporting documents that are cited in your motion or response.

¹ Opposing counsel **shall confer** to determine whether objections can be resolved without a court ruling. The court needs a copy of the pertinent deposition to rule on any objection.

² To save time and space, respond only to items objected to. All others will be considered to be agreed. Opposing counsel **shall confer** in an attempt to resolve any dispute over the motions in limine within five calendar days of the filing of any response. The parties shall notify the court of all issues which are resolved.

DISCOVERY DISPUTES

A magistrate judge is available during business hours to immediately hear discovery disputes and to enforce provisions of the rules. The hotline is the best means to obtain an immediate ruling on whether a discovery request is relevant to any claims or defenses and on disputes that arise during depositions. The hotline number is (903) 590-1198. *See* Local Rule CV-26(e).

Electronic discovery: In cases involving disputes over extensive electronic discovery counsel for both sides shall review the court's [Model] Order Regarding E-Discovery in Patent Cases before contacting the Hotline or filing motions to compel or to quash. The order can be modified for use in any case in which electronic discovery is an issue, and any ruling of the court on conduct of electronic discovery will likely be based, at least in part, on that Model Order. *See* ED Texas Website under Quick Links / Forms / Patent Forms / Order Regarding E-Discovery in Patent Cases.

SETTLEMENT

Plaintiff's counsel shall immediately notify the court upon settlement. All papers necessary for the removal of the case from the Court's active trial docket should be filed within thirty (30) days of settlement.

COMPLIANCE

Attorneys and pro se litigants who appear in this court must comply with the deadlines set forth in the Federal Rules of Civil Procedure, the Local Rules for the Eastern District of Texas, and this Order. **A party is not excused from the requirements of a Rule or Scheduling Order by virtue of the fact that dispositive motions are pending, the party has not completed its investigation, the party challenges the sufficiency of the opposing party's disclosure, or because another party has failed to comply with this Order or the rules.**

Failure to comply with relevant provisions of the Local Rules, the Federal Rules of Civil Procedure, or this Order may result in the exclusion of evidence at trial, the imposition of sanctions by the court, or both. Counsel is reminded of Local Rule AT-3, particularly AT-3(i) & (j).

SIGNED this 21st day of September, 2023.
